You Want to Become a Business Owner But Wondering... Is this right for me?

You want to be an **ENTREPRENEUR**

Don't start a business. Buy then build.

Either in start-up mode or thinking about a start-up. Buying a profitable business provides a great alternative to the hardship of start-ups with most failing in the first few years. Immediate profit and cashflow allows you to focus all your energy on growing your new business.

You want to be a **SMALL BUSINESS OWNER**

Acquire your way to business growth.

Small business acquisitions are a unique way for you to grow your current business in to new markets, add products or services, and increase revenue and profit. There are so many small business acquisition opportunities in the market right now. Learn how to acquire and grow.

You want to be an **INVESTOR**

A new path to passive income investing.

Looking for passive income with higher returns and control over your investment. If you believe the stock market and real estate is overpriced, small business offers a great alternative for passive investing with high rates of return and the ability to leverage other people's money.

I'm loving the course—learning a ton. Thanks for the effort you and Ryan have put into it. I'm very excited to get my first deal in the coming week!

Chase Eskelsen

The course has blown me away, but it is really Codie and Ryan and their leadership. It's all the value you could ask for.

Mark Crandall

Our team has gone through the online course, we're in the mastermind now. In just a short amount of time, they have massively accelerated our learning around inquiring companies.

Dirk Van Reenan

Working with Mike on laundry investments showed me how knowledgeable he is as an operator and expert in the space...and capture the major upside laundromats have to offer.
