Choose your own payment for the replay based on what you feel this is worth to you:-)

TAKE YOUR PICK! (4 BONUS LEVELS TO CHOOSE FROM):

****SUPER SURPRISE GIFT:**** Payments under \$199 are super appreciated and grants you PERMANENT ACCESS TO the recording, transcripts, call notes and cold outreach research training PLUS a NEW SUPER SURPRISE gift valued way over \$100:-)

****GREAT VALUE:**** Payments over \$199 grants you the Super Surprise Gift and get ready to be swamped with referral business because you're getting Referral Mojo, Turbo Referral Mojo and Reverse Referral Mojo. I've never seen people go from overlooked to fully booked faster than getting an influencer to refer them.

****OMG VALUE:**** Payments over \$499 get the Super Surprise Gift + Referral Mojo and everything above PLUS, because now that you can get people to enthusiastically to say "Yes, let's set up a call!" with everything above... the missing piece is to creating opportunities on demand is what to DO and SAY on your calls. I call this COFFEE DATE MOJO. Coffee Date Mojo will be a Live Zoom shindig with bonus "get her done" calls. (Dates to be determined.)

****BEST VALUE:**** Payments over \$999 get ALL the above + Back End Agency Mojo (BEAMER) which INCLUDES the PHONELESS SALES MACHINE. This is how we close \$500 to \$50,000 sales with Google Docs and NO sales calls or salespeople...USING OTHER PEOPLES LISTS AND AUDIENCES. It's typical we get paid up to 50% commission on products we don't have to deliver (as mentioned in the replay.)

Until now, BEAMER has never been available to the public. BEAMER has only been available to folks who invested up to \$3,000 per month. There's so much packed in BEAMER I can't even begin to lay it all out for you: Agreements, check lists, Letters of Understanding, recording of sales calls, how we layout our projects, campaigns, and so much more. I can't call it a business-in-a-box because it's in Kajabi 😊 but it's the next closest thing.

Phoneless Sales Machine sells EVERYDAY FOR \$2900 - but until this replay comes down you can ****steal BEAMER, Phoneless Sales Machine and EVERYTHING ELSE above for only \$999.****

Whether you want to run BEAMER as a full-time cash flow machine OR as a bolt on biz, I've never found a faster way to get control of assets and start cash flowing.

****ALSO INCLUDED in BEST VALUE:**** LIVE ZOOM bonus "get her done" calls. (Dates to be determined.)

Here's how to invest...

Just invested in "Best Value" because:
1) The first AMA made me money but this one put cash in the bank
2) Love how you're leveraging live events into passive paydays
3) Have no doubt the goodies behind your paywall will exponentially increase my business

Thank you for everything you do, please take my money!
