HOW TO QUICKLY ACCESS UP TO \$100,000 IN BUSINESS CREDIT WITH ZERO PERSONAL LIABILITY

We are one of the only services in the world that has gone through the trenches, seen every mistake and knows EXACTLY how to get you APPROVED for all the BEST corporate credit cards.

This is just a starting point and foundation for a true separation of you and your business' credit. Non-Personally Guaranteed Business Credit? \$250k, is that real? Well we have made an exact science over the years!

We fanatically compared and sought out every card available in the world without using your social security number and there is only one resource you will ever need to separate you and your business credit.

Yes you can do this and REALIZE it is 100% legal, 100% verified, and with almost 90% old information out there no matter how much you pay or search. You will get approved with us if you follow the most comprehensive and researched program available anywhere, we joined others and it is simply ridiculous how much junk is out there.

You CAN completely separate yourself from your business and get company credit cards, including Visa and MC business cards, vendor lines of credit, dramatically improve cash flow, and buy or lease cars and buildings without EVER risking your personal credit.

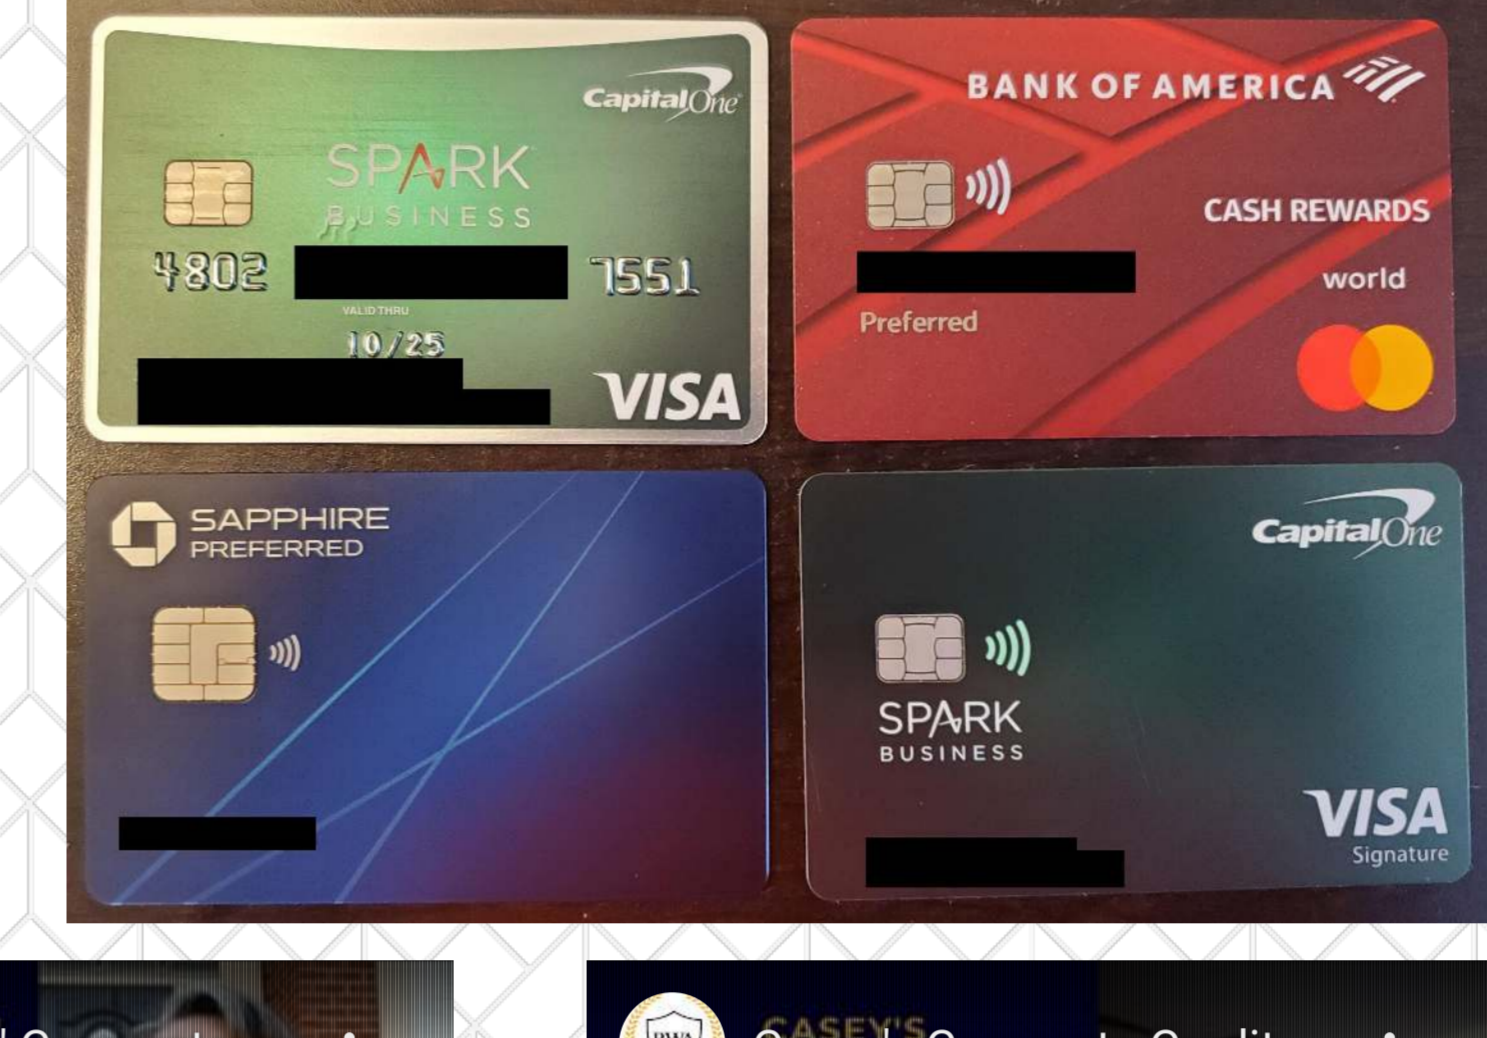

Get \$50,000 In Credit In 6 Months... GUARANTEED!!!

100% exclusive vendors that know exactly what they are doing! Following the program is easy... OPEN your first 10 credit cards & get REAL \$5,000 PLUS Trades Reporting NOW, not \$25 in Toilet Paper!!!

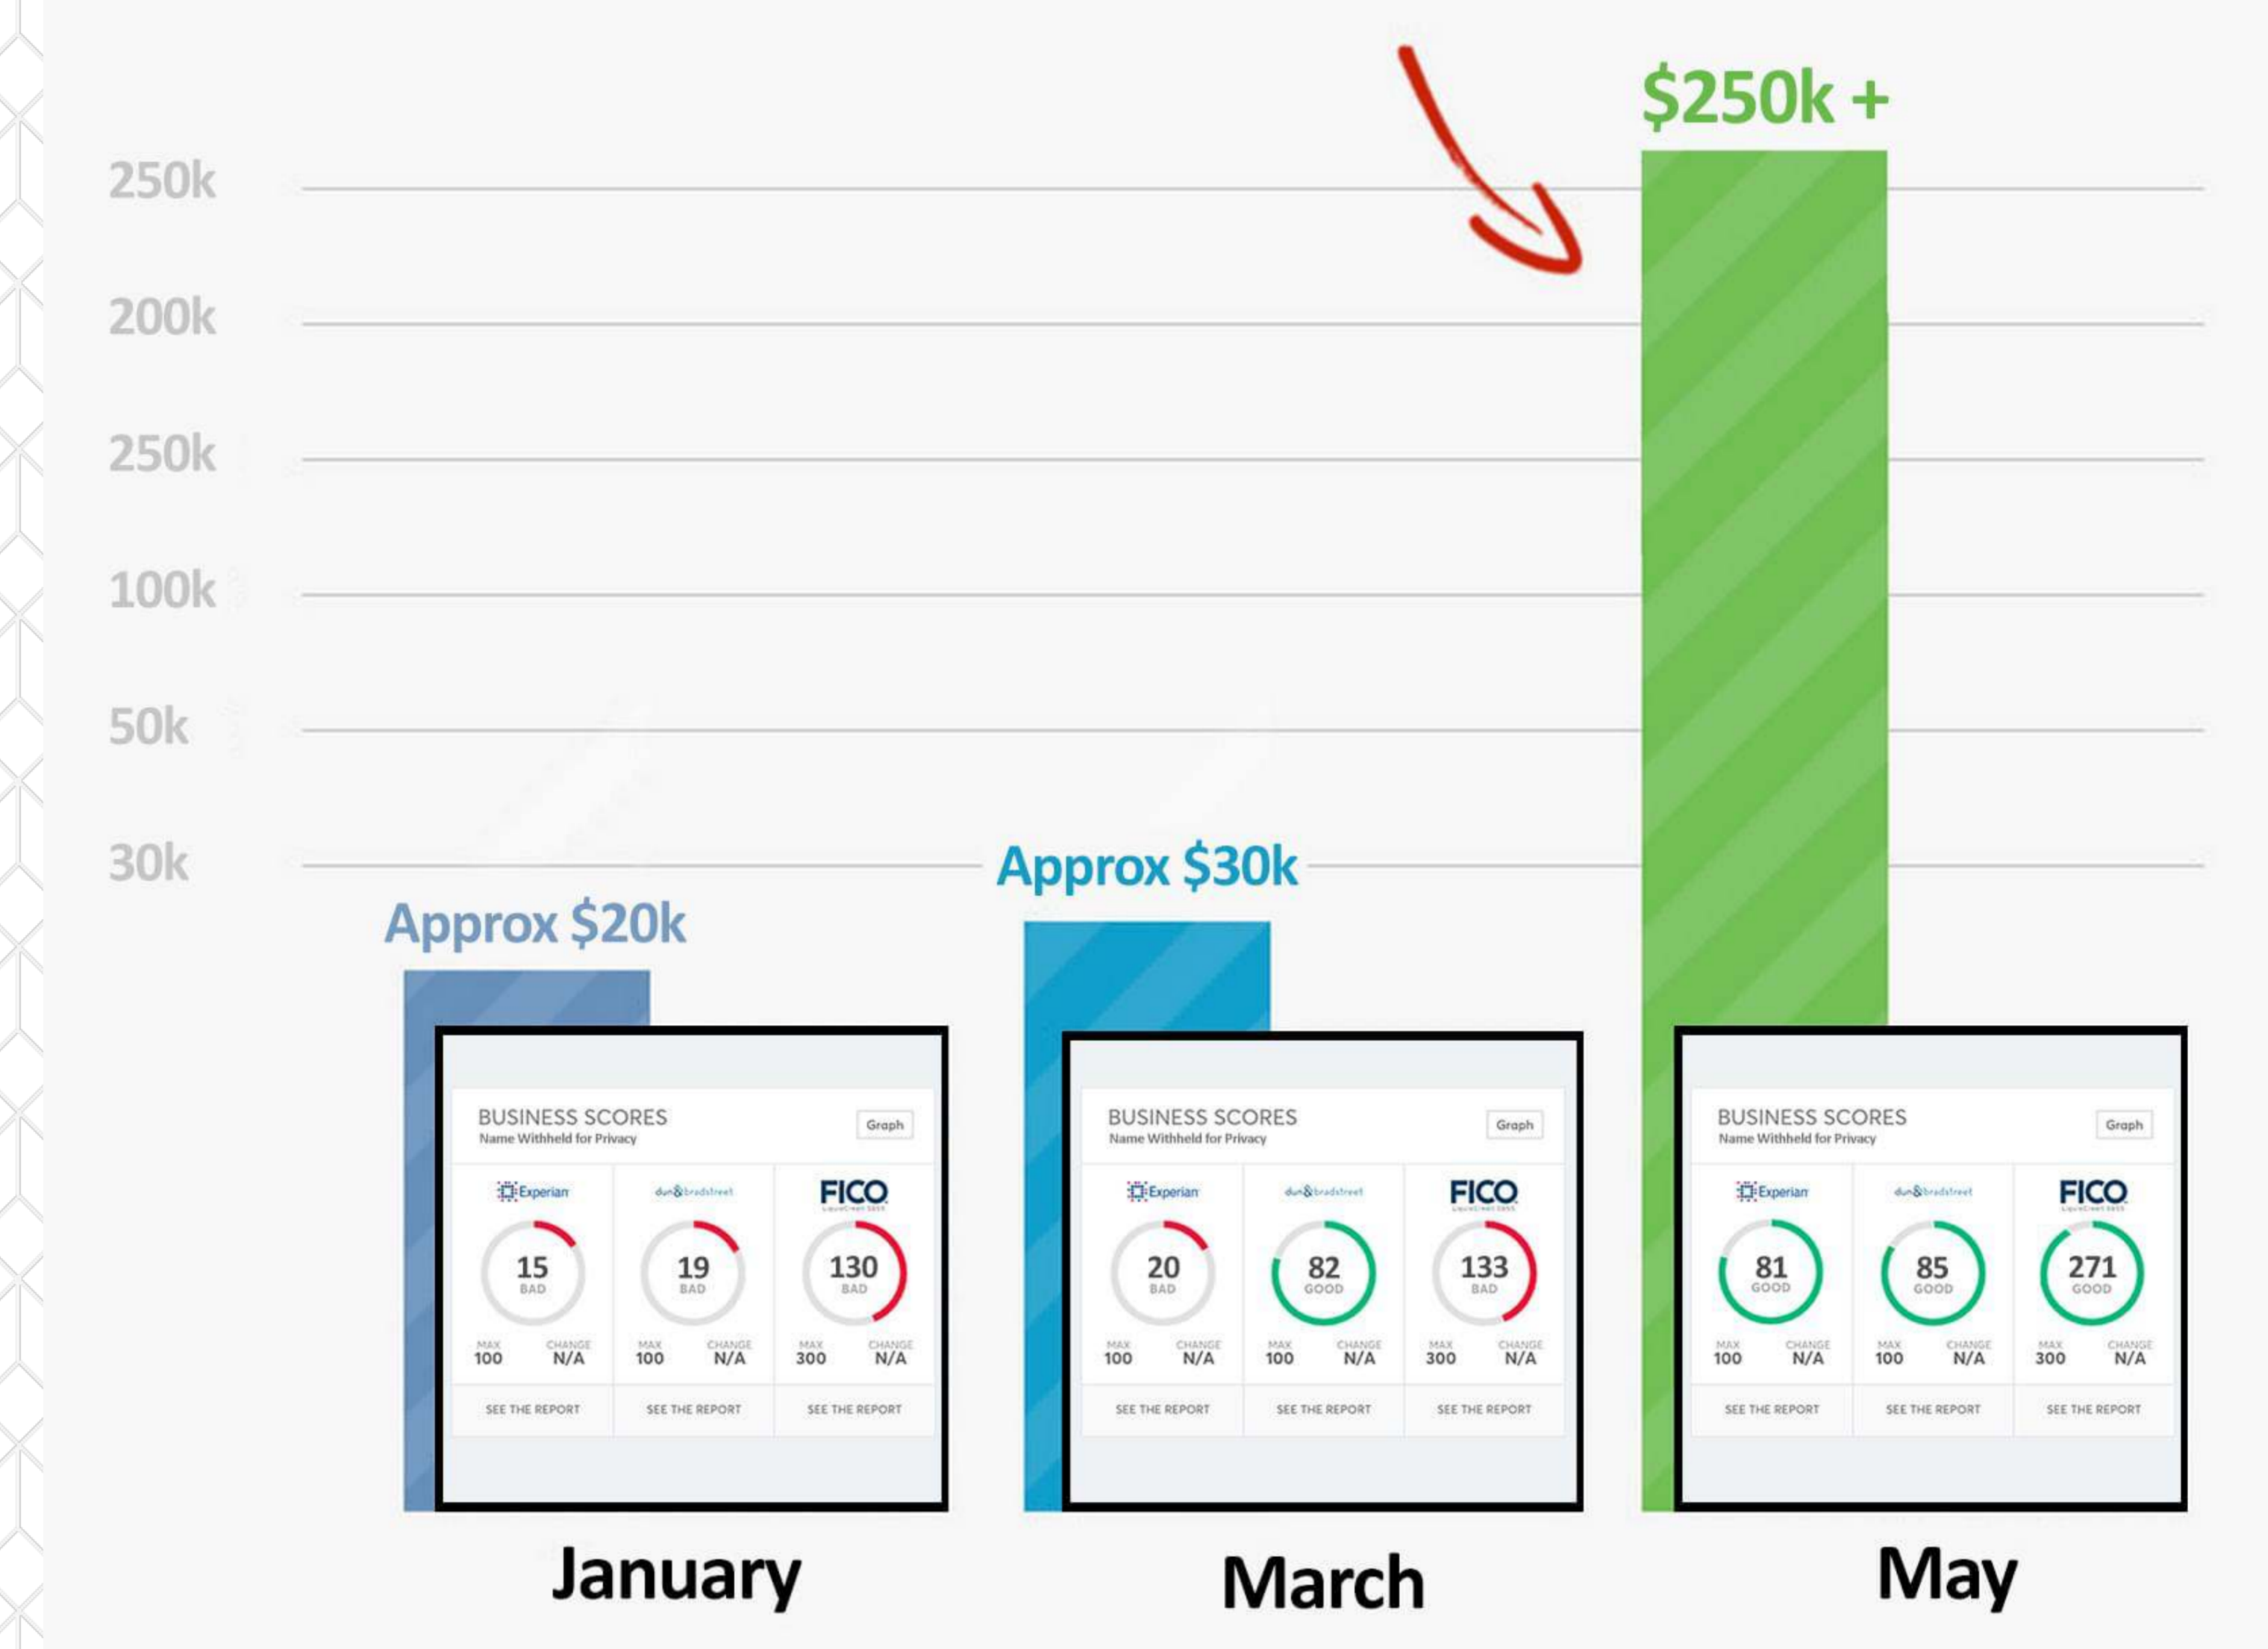

It's not rocket science! You just have to do it EXACTLY RIGHT, and we have answered every possible question, seen every mistake, heard the frustration when other services completely failed them and they had to start over. As a matter of fact if you have joined another service right off the bat you will know the difference because they probably failed and you had to learn the hard way. In exactly the right way...

Learn what companies use Citi to underwrite their cards and how many can you have before getting declined? What Citi backed card will, if you apply for it first and declined, lead to all other Citi backed retail cards being declined? GE backed cards; what are the exact requirements? Learn why so many get declined (it's simple if you have the information). That's why we passionately dedicate ourselves to RESEARCH and DOCUMENTED SUCCESS.

THE 7 CORE MODULES

- Corporate Credit Secrets (\$4,997 Value)**
Learn how to build up to \$50,000 in credit in 6 months or less. Keep the money just keep growing and growing - where they stop is up to you! Spend all the money and when done bankrupt the company!
- How To Remove Personal Liability (\$2,497 Value)**
99% of people get corporate credit the wrong way! That's because they use their Social Security Number or personal information to secure the loans. This makes the person responsible for all debts and if not paid off immediately - can result in some nasty lawsuits and extreme drops in personal credit scores!
- Setting Up Credit-Optimized Corporations (\$997 Value)**
Anybody can apply for corporate credit themselves, but it takes an expert to tell you how to setup the entity so it will not be "red flagged" or "blacklisted" from every getting credit. Once an entity is optimized - it can obtain 10x more credit than the standard company that is setup without our help.
- List of Best Corporate Credit Cards (\$997 Value)**
Wondering where to get the next corporate credit card from? There is no more worries when you have a list of the best corporate credit cards and even the best lines of credit to obtain. Learn how a single card can secure up to \$100,000 in credit by simply being one of the first credit lines you open up when beginning to build corporate credit.
- How To Obtain Corporate Credit Loans (\$5,000 Value)**
After you've secured your corporate credit cards with high limits, it is time to start building up for corporate credit loans which can get MASSIVE! We're talking about \$50,000 to \$250,000 loans that will allow anyone to build their company up to a success - and even if the business fails - you're not held responsible.
- Pre-Built Website, Logos & Letterheads (\$3,997 Value)**
To build a business that will get approved for a lot of corporate credit and loans - you'll need to have a website, voicemail, logos, letterheads and so much more. That can be extremely costly and a waste of time. We have saved you all the hassle by creating templates that can be completed in a single day!
