- Andy Hatell** (@andyhatell) 400,000+ YouTube Subscribers
"Good actionable information that actually works is hard to find online these days. Dave is on a completely different level with this course."
- Fabigal Jay** (@fabigal.jay) 20,000+ Instagram Followers
"This course is superior! I have a 40 in my MBA program from the University of Texas, much of which was taught online, so it's easy for me to spot if an online course is good or not. Way to go, it has helped me so, so much!"
- Incognito Money** (@incogno) 78,000+ YouTube Subscribers
"I can easily see how this program can save someone years of struggle. Dave is one of the guys that actually helped me start my own youtube channel and grow it to over 70,000 subscribers!"
- Youti Hofwegen** (@youti) 300,000+ YouTube Subscribers
"The strategies shown in Automation Systems will easily out your learning curve like crazy! I wish I had access to this information in 2019 before I built my YouTube Empire!"

Our Pre-Launch Student Results.

The Results will be updated every 30-45 days, depending on when the students that are participating in this analysis submit their YouTube revenue results for that month.

38+
Students enrolled in the Pre-Launch Stage

\$315,320+
Combined Ad Revenue made **only** from YouTube (Excluding additional sales from their offers, products or services as well as students who didn't want to participate in the analysis)
