Wanted to give a big public THANK YOU to Myron Golden for changing EVERYTHING for our business, and ultimately for the future of our family for generations to come. Here's our story...

BEFORE MYRON GOLDEN: our business had been losing money for seven years straight. We had not been profitable, we were verging on having to close the business, and we felt we had "tried everything" with little to no success. 😞

AFTER MYRON GOLDEN: We took Myron's speaker/sales training, came back and changed our entire business model to match his system, and the rest is history! We now host over 120 live events per year all over the country, and close on average \$2,000-\$3,000 per person in the room (20-30% close rate on high-ticket products/services; 70-80% on low-ticket and subscription offers). 🙌

Year 1, we profited over 6 figures. 🙌

Year 2, we were over 7 figures. 🙌

Year 4, we had our first \$10,000,000 year. 🙌

We've had years since then where we brought in over \$12,000,000 using Myron's system. 🙌

Our live events have consistently delivered since we started utilizing Myron's techniques and strategies. Now we are breaking into virtual events with just as good of closing rates, so everything is about to level up once again (no geographic restraints or large advertising budgets), all thanks to Jesus using THE mover/shaker, Myron Golden, to impact our lives and our business! 🙌

If you have the opportunity to learn from Myron, DO IT. ❤️

If I had to sum up the most transformational advice I've received from a mentor, it would be these three words from Myron Golden...

"Make More Offers."

Sounds simple, right? And when you have the kind of guidance and encouragement Myron provides, it really is. Fair warning though, sometimes you may find resistance rearing its ugly head, whispering that you can't do it because of (fill in the blank with your self-sabotaging excuses), or that you're not prepared enough, good enough, smart enough...

Those are just your old stories kicking into gear.

But with Myron guiding you, you'll soon annihilate those limiting beliefs, especially when you experience for yourself the power of simply making more offers.

Here's what happened in just 30-days when I followed Myron's counsel...

- I did it without the new program even being created yet...
- I did it without paid ads, a launch or any joint-venture partners.
- I moved forward without ONE word of copy or a website for my offer...
- I had an 80% close rate for my new offer...
- I made OTHER additional offers...
- I increased my monthly revenue from my previous "highest ever" by 55%...
- And in just 30-days, I brought in \$145,646.

Yep, that's how powerful it is. And there is only ONE person you should trust to get you moving in the right direction with more offers...my mentor and trusted friend Myron Golden.

And here's the thing...

Not only is Myron an amazing mentor. He's an amazing PERSON.

That often gets lost in the shuffle these days, especially with so many high-powered self-anointed gurus and instant experts running rampant on the Internet.

The difference is working with a man who is smart, funny, wise, inspired, authentic, and truly CARES about those he is called to serve. Who knows who you are. Who sees your potential even when you falter. Who is committed to supporting your success if you're willing to do YOUR part. If you have the opportunity to work with Myron Golden, take a deep breath, fasten your seatbelt, and GO for it. You'll be blessed beyond measure.
