"Jumping into the Level 1-4 Quantum Human Design Training was a very profound and transformational experience. Having the Level 4 be a LIVE setting was very supportive for me and I enjoyed the accountability. I am a person who needs time to integrate to understand and I feel there is so much compassion for each and every one of us for where we are on our journey and how we operate best. Karen is so kind and knowledgeable as is her support team. I couldn't have asked for a more loving container to be in."
