

The NEW 2 Page Google Doc CASH MACHINE

From Blank Doc to Sales Poppin' in Paypal (in 30 Mins)...

Pop! Pop! Pop!

If there's a simpler, faster, more predictable way to top off a Paypal account, I dunno what it is?

If you'd like to nuke up a 5 figure (or 6) SALES POP over 72 hours...

Check out how simple we feed our starving crowd and get paid with a **Bite-Sized MICROWAVE OFFER** and an ugly G Doc!

9:44am Saturday - On my 2nd cup of coffee I decided to run a lil' experiment to pull out sales and buyers from my little FB group. My experiments sometimes make a mess of things, would this one work out?

by 9:52am - I whipped up a **2-page Goog doc with a PayPal link**. I posted a pic (carefully chosen) and 2 sentences to my group.

10:14am - 30 mins after posting. My first \$99 sale pops in (see pic I am central time, but Paypal posts in Pacific time for me.) The 1st sale is always so sweet!

10:52am - One hour later, I've popped 6 peeps onto my buyer's list and \$600 into Paypal. **\$600 in an hour!** - That used to be 2 weeks pay for me when I was in the Navy!

Fast forward to Monday at NOON. **Closed with 139 SALES POPS.**

In a world where folks have a hard time getting 139 comments on a post...I pulled out 139 SALES with a **2-page Goog Doc** that took me less than 10 minutes to write and one goofy-ass pic as a post, LOL!

*NO Replying to hundreds of comments (Except to say, "Thank you for buying!")

*NO Challenges, video, workshop, or FB live song and dance.

*NO long ass posts. (The first post had 2 sentences. 2nd had 7 sentences and the last post was only ONE WORD!)

*NO Dm'ing or Tapping!

TIP: People LOVE TO BUY when you microwave up a bite sized offer and make it a NO BRAINER to gobble up! (That's why I call it a NO Brainer Campaign!)

Side note: I also got 139 buyer emails AND snail mails. (valuable asset for me)

I can (and have) uplevelled many of the 139 BUYERS now.

All this from...

... a **2 page Google Doc**

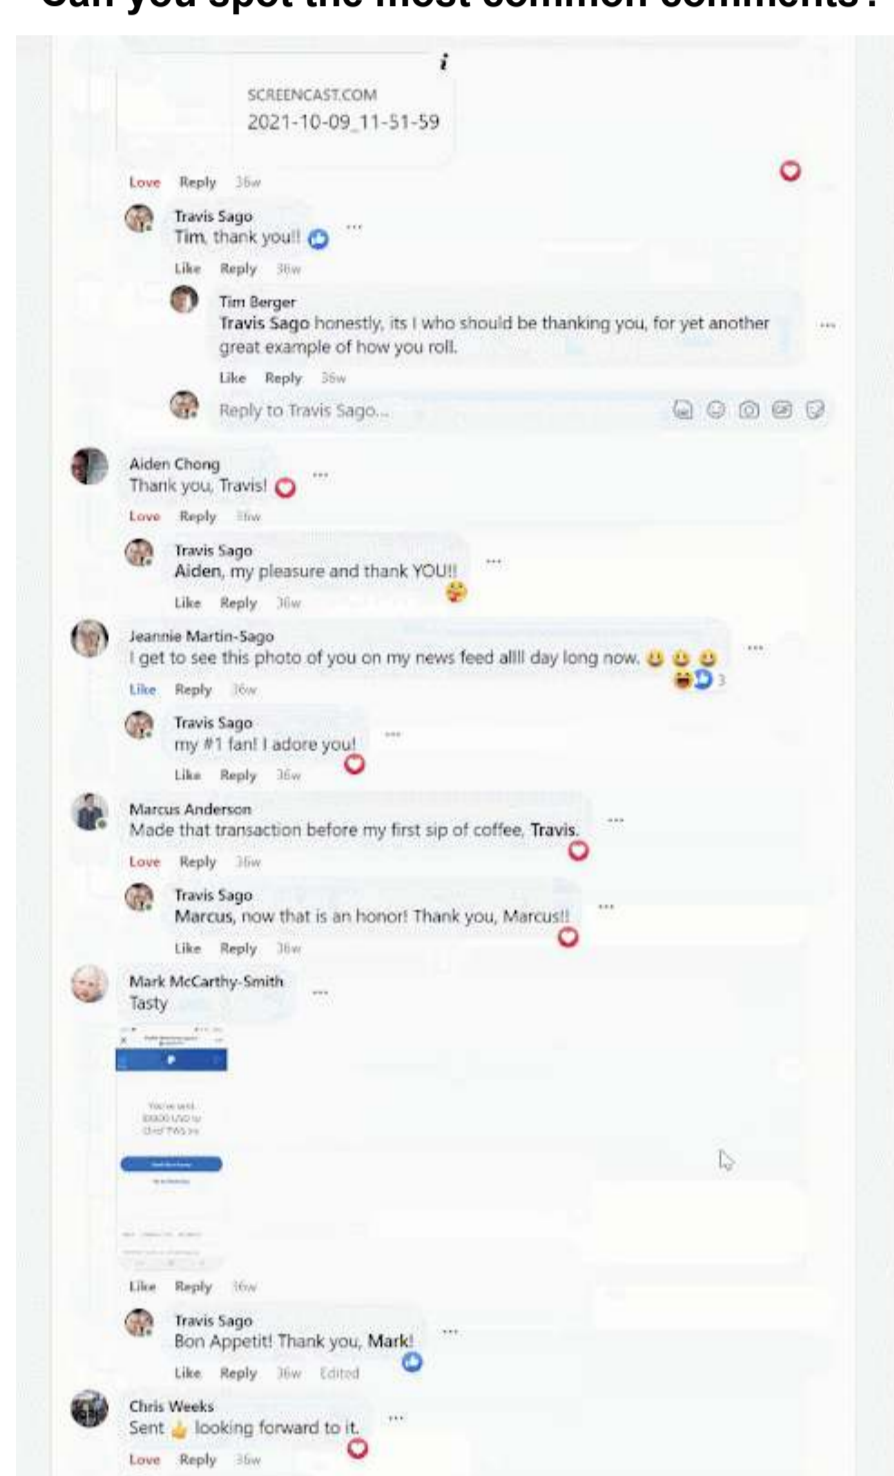

... and **3 brain dead simple posts (emails work too)** over the weekend.

Take a guess, what do you think the most common comments were on this No Brainer Campaign?

HINT:

"Can you spot the most common comments?"

Did you guess, "Paid!", "I'm in!" and "No Brainer!"???

Good eye, Maverick!

Besides the **72 Hour Pop, Pop, Pop, of Paypal Notifications**, do you see what else happened?

See all the SOCIAL PROOF??

You can't buy wallet lube that slippery at any store!

Now, I can (and will) fire up that 2 Page Google Doc (NO Brainer Campaign) AGAIN.

I almost always have a bigger sales pop the 2nd time than the first.

Even with the EXACT product...

...from \$99 to \$999 this special 2 pager gets my sales to pop, pop, pop!

I gave this 2 pager to a few folks to see how it worked for them.

They tweaked it.

One person put it on his PERSONAL FB profile...

Would that work?

It did.

He splashed his own flavor on it, but cranked in close to **265 sales**, from his **PERSONAL FB profile**.

Other's did \$3k to \$8k in sales.

One Mojo Man ran an affiliate promotion, **selling someone else's product**, but used the 2 page GD Cash Machine doc as his base ingredient...and he popped in \$10,000 in commissions.

EVERYONE I've handed this to has made their sales pop.

Pop! Pop! Pop!

It's simple, profitable and FUN way for me (and other folks) to monetize call recordings, bundle products or just take something sitting on our digital shelf and top off our Paypal accounts.

Question?

If I handed you the keys to your own **2 Page Google Cash Machine which spits out \$99 to \$999 sales...**

Would ya jump in, turn her on and put the pedal to the metal?

If you've got the "need for speed"...(and a sales pop)

Right now you can...

How much fun are we gonna have? Holy HECK, to me there's nothing MORE FUN than popping in sale after sale together. I can't wait to mix mojo with ya! :-)

Rooting For Ya, Travis

"I get into my BBQ, what can I say? I'm glad our paths crossed!"

PS **2 Page Google Doc Cash Machines** work with FB profiles & groups, Emails, Youtube channels, Twitter, Tik Tok or anywhere there's an audience where you'd love a potential **5-figure (or 6) Sales Pop over 72 hours**.

PPS Wonder why this doc is longer than 2 pages? One of the things we dig into is *when and where* it makes sense to go a lil' longer;-)
